Xristos Tsamis

SUMMARY

Data-driven professional pursuing a master's degree in Big Data and Analytics with experience in FMCG reporting, sales forecasting support, and ERP-based data analysis. Skilled in Excel and business reporting across commercial channels. Passionate about turning complex data into actionable insights that support strategic decisions.

WORK EXPERIENCE

Managment Trainee Program , Piraeus Bank **Mar 2026 - Present**
Actively participating in 3 cross-departmental rotations to gain a 360-degree view of bank operations.

Rotation 1: Business Analyst, Digital Banking

- Translated business needs into actionable technical requests and drafted core Business Requirement Documents (BRDs), notably for the critical EU "Digital Euro" project.
- Led pre-analysis for new e-banking features by evaluating technical feasibility, monitoring competitor trends, and presenting proposals to the Product Working Group for approval.

E-Learning Content Digitizer (Part-Time, Remote) **Oct 2025 - Mar 2026**

- Autonomously developed and quality-tested interactive learning modules using Moodle and H5P in a fully remote environment.

Sales Analyst, Stamou S.A. (Member of Jotis Group) **Mar 2025 - Oct 2025**

- Managed the extraction and reporting of all commercial data, acting as the central data hub for the Dairy Shops and Super Markets business units.
- Developed daily, weekly and monthly sales reports (Excel/PowerPoint), utilizing internal ERP data (Entersoft) to deliver actionable insights to commercial leadership.
- Managed sales projection models and monitored the Budget Performance Tracker to assess trends and support monthly Latest Estimate (LE) submissions.
- Extracted and consolidated financial data via Entersoft ERP to build comparative reports (Actual vs Budget/LE), enhancing operational transparency and senior management accountability.

Customer Activator, Unilever **Jul 2024 - Dec 2024**

- Delivered actionable insights to optimize promotional activities and refine marketing proposals, while managing the rolling activity plan to ensure timely execution.

Net Revenue Management Analyst Intern – Personal Care, Unilever **Apr 2024 - Jul 2024**
